Monitoring

*...and many other speakers and presentations, including: Update on the Fox River Water Trail; Nippersink Creek Watershed Projects Update; Starry Stonewort and other invasive species!*

### Meeting objectives:

- ✓ **Share new tools and practices being developed to protect the Fox River watershed among communities in Wisconsin and Illinois.**
- ✓ **Continue a dialogue on shared challenges concerning recreation, economics, sustainable flows, surface water/groundwater interactions, sediment and ecosystem services.**
- ✓ **Build trust among stakeholders and identify commonalities, project successes and future challenges within the watershed.**
